

## Evaluation Form for Internship Project

Name: \_\_\_\_\_ Student ID: \_\_\_\_\_

Company's Project Advisor: \_\_\_\_\_

TGGS Advisor: \_\_\_\_\_

Company: \_\_\_\_\_

Period: from \_\_\_\_\_ to \_\_\_\_\_

Topic: \_\_\_\_\_

Presentations:       Proposal                       Progress No. 1  
                               Progress No. 2               Final Presentation

| Evaluation items   | Exceptional | Above average | Average | With difficulties | Not achieved |
|--|-------------|---------------|---------|-------------------|--------------|
| 1. Has the student scientifically approached the project in a systematic way?  |             |               |         |                   |              |
| 2. Has the student obtained and evaluated available scientific literature in sufficient detail?                                  |             |               |         |                   |              |
| 3. Has the student developed a fundamental understanding of the research topic?  |             |               |         |                   |              |
| 4. Has the student worked independently?   |             |               |         |                   |              |
| 5. Has the student efficiently considered suggestions and specifications?  |             |               |         |                   |              |
| 6. Did the student contribute own ideas for solving the task?  |             |               |         |                   |              |
| 7. Has the student completely solved the task with appropriate means, worked thoroughly with sufficiently sophisticated methods? |             |               |         |                   |              |
| 8. Is the written report written comprehensible and logically structured?  |             |               |         |                   |              |
| 9. Has the student worked carefully when writing the report?   |             |               |         |                   |              |
| 10. Has the student worked efficiently on the project (motivation, commitment)?  |             |               |         |                   |              |
| Additional Notes:  |             |               |         |                   |              |

Proposed Grade: \_\_\_\_\_

Date: \_\_\_\_\_ Signature: \_\_\_\_\_
