

**Announcement of the Sirindhorn International Thai-German Graduate School of Engineering
on Colloquium Guidelines for Doctoral Degree Students**

According to the resolution of the committee meeting of the Sirindhorn International Thai-German Graduate School of Engineering No. 10/2019 on October 2, 2019, and No. 11/2019 on November 6, 2019, to establish the Colloquium Guidelines for Doctoral Degree Students in corresponding to Regulations for Examination in the Doctor of Engineering Programs (RED) of The Sirindhorn International Thai-German Graduate School of Engineering (TGGS) (2013). As a result, the Colloquium Guidelines should be defined as follows:

Item 1 Colloquium is considered as an additional academic activity without credit to achieve the curriculum requirement according to the Regulations for Examination in the Doctor of Engineering Programs (RED) of The Sirindhorn International Thai-German Graduate School of Engineering (TGGS) (2013).

Item 2 TGGS doctoral students in all curricula who's the dissertation proposal examination has been approved are mandatory to attend the Colloquium which will be held each semester. The student will present his/her research or dissertation progress for a total of two times during the study period prior to the Dissertation Defense Examination.

Item 3 The students must submit a request to attend the Colloquium to TGGS Academic Affairs at least than 30 days before the Colloquium date. In order to participate in the Colloquium, the students must pass the Doctoral Qualifying Examination (QE) and obtain approval from the dissertation advisor. After being approved by the Associate Dean for Academic Affairs and Quality Management, the students will be able to present at the Colloquium.

Item 4 The Colloquium Guidelines for Doctoral Degree Students according to this announcement shall be applicable to students enrolled in the semester 1/2017 onwards.

Students enrolled in the semester 1/2017 and 2/2017 are permitted to attend the Colloquium to present research or dissertation progress for a total of one time during the study period prior to the Dissertation Defense Examination.

This regulation shall come into force from the day following the announcement date onwards.

Announced on November 12, 2019
