

**Announcement of the Sirindhorn International Thai-German Graduate School of Engineering  
on Course Registration Guidelines for Master's Degree Plan A Type A1 Students**

---

According to the Sirindhorn International Thai-German Graduate School of Engineering offered Master's Degree Plan A Type A1 which students conduct the master thesis only. In this regard, a program lecturer or advisor can advise or recommend students to register for courses that are not included in the student's study plan in order to provide students with the skills they need in the study plan.

According to the resolution of the committee meeting of the Sirindhorn International Thai-German Graduate School of Engineering No. 2/2022 on February 2, 2022, there was a resolution on Course Registration Guidelines for TGGGS Master's Degree Plan A Type A1 Students as follows:

1. Registration of courses other than master thesis for Students in Plan A Type A1

The advisor must specify the educational evaluation of courses other than the student's study plan in the registration form T.1 that the additional courses will be assessed as Audit Course or evaluate as "S/U". The details of assessment are as follows:

1.1 Registration for Audit Course

- Registration for Audit Course means that the audit course is a special and/or additional course

- The course evaluation results will be recorded as "AUD" on the transcript if the student's attendance is more than 80% of the entire lecture time.

1.2 Registration for without-credits courses with the evaluation results as "S/U"

- Plan A Type A1 Students who are advised by an advisor to study certain courses other than the student's study plan, will be counted as registered for without-credits courses and must pass the exam and obtain "S" (Satisfactory) for the evaluation result.

- The result of the course evaluation on the transcript is recorded as "S" (Satisfactory) / "U" (Unsatisfactory) for only graduate courses. The students must study and take the exams as same as other students in Plan A Type A2 and Plan B or depend on the course lecturer to evaluate or assess or giving the evaluation results.

This announcement shall come into force from the day following the announced date onwards.

Announced on March 16, 2022
