

**Announcement of the Sirindhorn International Thai-German Graduate School of Engineering  
on the Guidelines for Specifying Author Names on Published Research Papers  
and Presenting Part of Doctoral Dissertation, Master's Thesis and Independent Study in  
Academic Conference for Doctoral and Master Degrees Graduation Requirement**

---

According to the resolution of the committee meeting of the Sirindhorn International Thai-German Graduate School of Engineering No. 4/2022 on March 30, 2022, there was a resolution on the Guidelines for Specifying Author Names on Published Research Papers and Presenting Part of Doctoral Dissertation, Master's Thesis and Independent Study in Academic Conference for Doctoral and Master Degrees Graduation Requirement as follows:

1. The student's name should be the first or corresponding author on the article that submitted for the graduation.

In the case of the student is not able to specify his or her name as the first or corresponding author, the advisor must submit a memorandum to the TGGGS Academic Affairs explaining the reasons and the necessity to the TGGGS Associate Dean for Academic Affairs and Quality Management and request for special consideration to be approved on a case-by-case basis.

2. The doctoral dissertation, master thesis or independent study's advisor name from TGGGS and/or RWTH Aachen University must be included on the article that submitted for the graduation.

3. Part or entire of a doctoral dissertation, master thesis, or independent study must be published or presented in an international conference or journal for graduation requirement. Review article which is covered the analysis or summary of the relevant research is not acceptable.

4. In the case that the student is requested to specify the agency that the student is affiliated with on the article, the student should specify "King Mongkut's University of Technology North Bangkok".

In the case that the faculty name can be specified, the students must specify "The Sirindhorn International Thai-German Graduate School of Engineering". In the case that the department name can be specified, the students must specify the associated TGGGS Program. In the case that the research group can be specified, the students must specify the associated TGGGS Major (Research Group).

5. In the case that an e-mail is requested to be specified on the article, the student should specify the e-mail address of the Sirindhorn International Thai-German Graduate School of Engineering or King Mongkut's University of Technology North Bangkok. The student may also use a personal e-mail, but the name must be formal and polite.

6. The students must follow the additional instructions as stated in the TGGs Student Handbook which is available at <https://tggs.kmutnb.ac.th/graduation> and select "Publication" menu.

This announcement shall come into force as from the announced date.

Announced on May 5, 2022
