

STUDENT VISA MATTERS FOR INTERNATIONAL STUDENTS

Student Visa Application

Students (both enrolled and exchange students) must have a student visa when they arrive in Bangkok.

WITHOUT A STUDENT VISA, YOU WILL NOT BE ABLE TO ENROLL/REGISTER TO STUDY AT TGGS/KMUTNB!!

STUDENT VISA APPLICATION PROCESS

TGGS sends documents for the Thai Student Visa application to student(s).

Student(s) apply for a student visa at The Royal Thai Embassy* overseas.

Student(s) informs the following information to TGGS Academic Affairs:

- Arrival date/time in Bangkok
- A copy of a student visa

*Remark:

Based on TGGS experiences and feedback from TGGS international students, we recommend that student(s) apply for a visa in person at the "Royal Thai Embassy" (rather than the Royal Thai Consulate or travel agency) because it is more convenient and easier to obtain a visa. (Complications, requests for additional documents, and delays in visa issuance may occur with the travel agency or consulate!)

REQUIREMENTS FOR THE THAI STUDENT VISA APPLICATION

PERSONAL DOCUMENTS FROM APPLICANT

- Completed Visa Application Form.
- Photograph of the applicant with white background and no older than 6 months.
- A passport which is valid for at least another 6 months and has at least 2 blank visa pages.
- Academic certificate from previous education level.
- Visa fee.

DOCUMENTS FROM TGGS

- Letter confirming enrollment details from school signed by authorized person (an acceptance letter).
- A courtesy letter to facilitate the student visa.
- University's registration certificate.
- A copy of ID card of the letter signer.

Note:

- 1. The documents mentioned above are only the minimum requirement. In some countries, the Royal Thai Embassy may require additional documentation. Before applying for a visa, please consult the Royal Thai Embassy in the country where you intend to apply for a visa to ensure that you have all the necessary documents.
- 2. People of the following nationalities: Bangladesh, China, India, Iran, Sri Lanka, and Middle Eastern countries must apply for a student visa from their country of origin.

Validity of a Thai Student Visa

When first applying at a Royal Thai Embassy abroad, the Thai Student Visa is valid for 90 days, but it can be extended for 1 year at the Immigration Bureau in Thailand.

Period of Stay

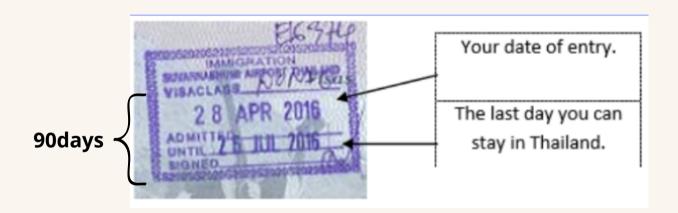

The holders of the student visa are initially granted a period of stay in the Kingdom not exceeding 90 days unless otherwise instructed by the Office of Immigration Bureau.

VERY IMPORTANT REMARK

Once you arrive in Thailand "WITH A VISA", airport immigration will stamp you with a 90-day stay permit.

IF THE STAMP YOU RECEIVE IS LESS THAN 90 DAYS, PLEASE IMMEDIATELY NOTIFY THE AIRPORT IMMIGRATION OFFICER TO CORRECT IT.

It is possible that this will occur if the immigration officer does not notice your visa.

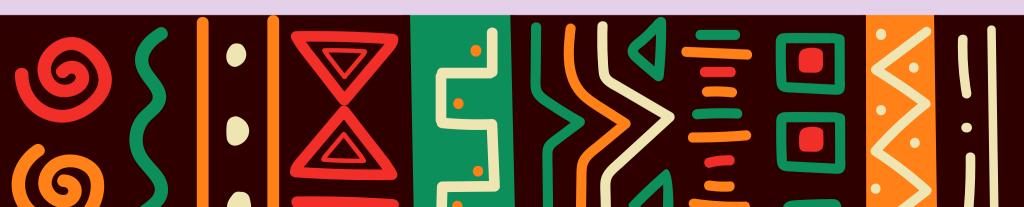

What should I do if I already have another type of Thai visa?

Those who have a tourist visa must change their tourist visa to a non-student visa (Non-Immigrant ED) at least 15 days before the expiration date or they will have to leave the Kingdom of Thailand. After the approval, they will be permitted to stay in the Kingdom of Thailand for ninety (90) days. If they wish to stay in the country for more than ninety (90) days, they are required to apply for a visa extension. Those who overstay in Thailand must return to their home country to apply for the appropriate visa at the Royal Thai Embassy or consulate.

Remark: The students must request a visa changing letter from the university at least 1 month before the expiry date of the visa, then submit the application form and the letter from the university to the Immigration Bureau at least 16 days before the expiration date according to the Immigration Bureau regulation.

Visa Cancellation

According to the regulation on visa cancellation from the Immigration Bureau, all international students are required to officially cancel their visa after graduation/resignation/termination/ or at the end of their period of exchange before leaving Thailand. This is very important and necessary to do before students leave Thailand.

Otherwise, students would have been on overstay regardless of the expiration date of their stay permit extension, even though they had left the country. They will be fined by the immigration office once they come back to Thailand and it will cause them issues if they intend to study or work in Thailand in the future.

The minimum charge for overstaying is 500 Baht per day counting from your graduation/resignation/termination date stated on your transcript. This goes to a maximum of 20,000 Baht for overstays of 40 days or longer.

Who should do a visa cancellation?
