HOW TO RESERVE KMUTNB RESIDENCE

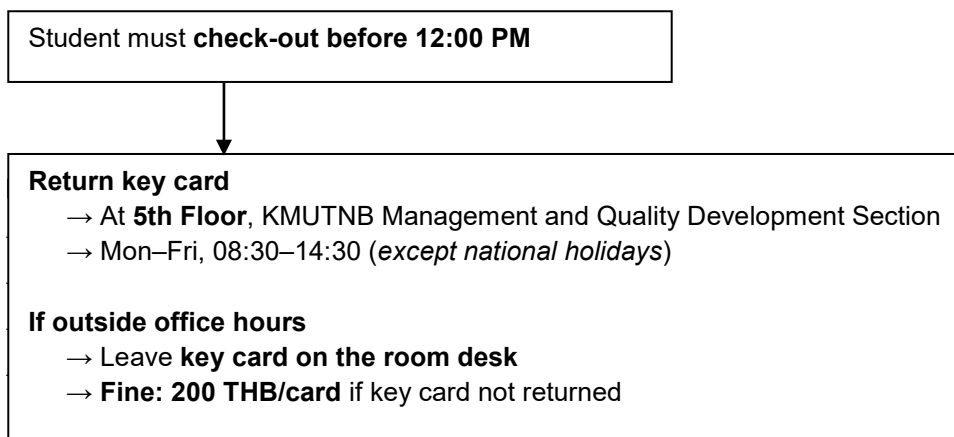

HOW TO CHECK-IN AND CHECK-OUT AT KMUTNB RESIDENCE

CHECK-IN

CHECK-OUT

HOW TO PAY ACCOMMODATION FEES

Step 1: Open a Thai Bank Account and Activate Mobile Banking

Students are required to open a Thai bank account and use a mobile banking application for accommodation payments.

Please contact the TGGS Academic Affairs Office to request a **Student Certificate** by submitting the **TG93 form**. This document can be used to open a bank account on your reporting day. You are advised to complete this process as early as possible upon your arrival in Thailand.

Regarding bank selection, you may choose any bank **except the Bangkok Bank branch located on campus, particularly during the beginning of the semester**, as the process may take longer than usual. We recommend visiting branches at nearby shopping centers such as **Big C Marketplace Wongsawang** or **Gateway Bangsue**, which are close to KMUTNB.

TGGS recommends that international students open an account with a **traditional bank** rather than relying solely on online banking. Please note that most banks in Thailand require foreign nationals to verify their identity in person; therefore, a fully online account opening is generally not possible.

The following banks are commonly recommended for international students:

- Bangkok Bank (generally the easiest for foreign applicants)
- Kasikornbank (user-friendly mobile application)
- Siam Commercial Bank
- Krungthai Bank
- Bank of Ayudhya (Krungsri)

All of these banks support mobile banking and QR payment (PromptPay), which is widely used in Thailand.

Required documents:

- Passport
- Valid Non-Immigrant "ED" visa
- Certificate of Enrollment from the university

Bank staff will assist you with the account opening process and provide guidance on using mobile banking and QR payment services.

Step 2: Monthly Folio

Each month, the residence office will send the accommodation folio to TGGS. Once received, TGGS will forward the folio to the student.

Step 3: Payment via Mobile Banking

After receiving the folio, students are required to pay the accommodation fee for that month via mobile banking by scanning the QR Code provided.

HOW TO EXTEND YOUR STAY AT THE KMUTNB RESIDENCE

Please fill out "the extend a stay at the KMUTNB Residence form" and place it in the basket in front of TGGS Academic Affairs **at least two (2) weeks prior to your current check-out date**. The form can be found at <https://tggs.kmutnb.ac.th/exchange-student-program>

HOW TO GET TO KMUTNB MANAGEMENT AND QUALITY DEVELOPMENT SECTION AND KMUTNB RESIDENCE

The **KMUTNB Management and Quality Development Section** and **KMUTNB Residence** are both located in the **40th Anniversary Building** (อาคาร 40 ปี มจพ.), which is marked as **Building 77** on the campus map.

The building has two elevator zones:

- **Right side** (next to the Suan Palm public area and canal)
- **Left side** (next to the Faculty of Engineering)

Walking Directions from the Main Gate:

1. Enter through the **main gate** of KMUTNB. You will see the **TGGS Building** immediately on your left – it is the first building on campus.

2. Walk straight, passing **Building 21** and **Building 46**.
3. Continue until you reach a **green pedestrian bridge** crossing over a canal.
4. **Cross the bridge** and turn right. You will see the **orange-colored Building 77 (40th Anniversary Building)** straight ahead.
5.
 - ▶ To go to the **KMUTNB Management and Quality Development Section**, take the **elevator on either side to the 5th Floor**.
 - ▶ To go to the **KMUTNB Residence**, take the **left-side elevator** (next to the Faculty of Engineering) to the **11th Floor**. Use your key card to scan and access the residence.

You can also follow the **red line** marked on the **campus map** to guide you to the building.
